

FIXTURES & TEAMS

There has been **an awful lot of work** going on behind the scenes in scheduling all matches for the season. Unlike mixed leagues with set days, we're not there yet in the female game. Also, as the female game grows, so do the number of teams and fixtures which is challenging in an already heavily congested schedule. But..... after much to-ing and fro-ing we are nearly there with only the Under 13 Girls softball fixtures to be finalised. These had been scheduled as Sundays which clash with the U13 mixed teams so we are just working through rescheduling these which is obviously dependent on pitch availability for all clubs involved.

This season we are delighted to have the following teams:-

- Ladies Softball Division 1 Team (Y7 upwards) Emma Schofield (C) Lindsey Redfearn (VC)
 Ladies Softball Division 2 Team (Y7 upwards) Lucy Pamment (C) Yvette Whitwam (VC)
 - Rules for moving between Division 1 & 2: Div 2 players can play up freely, but only 2 Div 1 players may play down in any match!!
- Ladies Super 8s hardball team (Y8 upwards) Ella Gill (C) Zoe Gell (VC)
- 💅 Girls U13 Softball Lily Hamilton / Emily Constantine (rotating captain / vice captains)
- 💅 Mini Girls windy ball festivals for the Mini Shenanigans further details to follow

Details of all the fixtures can be found at the end of this newsletter. They are already on Play Cricket. Spond will be updated shortly as we will use Spond to Capture availability for all matches.

Girls Softball:- Girls U13 games likely to start early May and will run for 10 weeks finishing with a finals day on 14th July (with the 21st July as a backup).

Ladies Softball:- As there are so many teams this year a festival with all teams will not be possible, therefore, there will be preliminary qualifying rounds to determine which teams will enter the festivals day which is TBC but we are aiming for Sunday 30th June.

W&G TRAINING

W&G training will be Tuesday nights – 6-8pm **STARTING 16th April** Please note we have taken the decision to push the start of training back by one week due to the dire forecast and ground conditions.

Junior training starts Friday 12th April, so we will aim to start Tuesday 16th. Coaches for this session with be Hannah Stephen and Steve Buss from our mixed Junior session. Fran Hamilton is travelling for work and unfortunately unavailable for the first session, but you are in very good hands.

DATES FOR THE DIARY

The WYWGCL league are putting on some scoring and umpiring courses. So please do try and attend / ask other halves if they'd like to as we need scorers and umpires to make our games happen. With so many teams and matches, we need people to help and support to ensure we can make the games happen. There will be a lot of dividing and conquering this season, so the more support and help, the better.

Free courses being held as follows, please message me privately if you or someone else would like to attend:-

Play cricket scorers 8th April @ Scholes CC

Umpires training (specific W&G focus) 15th April @ Scholes CC

2026 will see the club mark our 150 year anniversary. Planning is starting now for ways that we can celebrate. We agreed at the committee that each section would come up with their idea to celebrate and also c ontribute to the overall end of season celebration (more details to follow). So please get thinking about an event we can run.

ALL STARS

Hannah is leading the AllStars this year and is looking for people to help. Registration hasn't closed yet so we don't know how many we have, but I could do with 2 volunteers per week to help run the session. We only run the course for 8 weeks on a Friday 5-5.45pm starting on 31 May. Let Hannah know if you can help.

Thanks to everyone who helped on Saturday 23 March at Get Set Weekend where members came along and helped get the club ready for the season ahead.

VOLUNTEERS TO HELP RUN OUR AWESOME W&G SECTION

We need volunteers!!! Can you help in any way? Fran & Hannah cannot do it all alone. Some key things we need help with are:-

- Social Media posting about fixtures and results and any exciting stuff we want to share
- Fundraising & Socials someone to drive regular fundraising activities for W&G such as football cards, etc
- Scoring & Umpiring (see note above about free courses)

FRIDAY NIGHTS AT THE CLUB

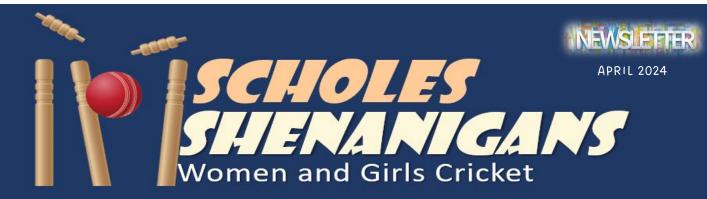

As many of the adult Shenanigans have junior players are the club also, it's very important to reiterate the importance of Friday's Junior Training nights. Fridays are hugely vital for the juniors. Not only the training sessions but behind the scenes.

This season we're asking the age groups to provide kitchen/sweet shop cover on a rotating weekly basis. No prep/training required. So first up would be U9s (April 12 weather permitting) running up through the ages (11s,13s,15s & 17s). Allstars too, once we know who has registered. This way if you volunteer to help you should only have to do it once per season. Please contact your age group coach to enrol to help out.
